MAYSVILLE MAN HELPS SURVEY MIDLAND TRAIL

Horace Clarke, Engineer in the State Highway Department, Now Engaged in Surveying Midland Trail.

Mr. Horace Clarke, engineer in the state highway department of the state of Kentucky, is spending a few days with his parents, Mr. and Mrs. Frank H. Clarke, of this city.

Mr. Clarke is now engaged with a crew from the state department in surveying the great Midland Trail through the Eastern part of the state which will be one of the state's great national highways and one of the best thoroughfares in the whole country. Young Mr. Clarke is a recent graduate of the engineering department of the Kentucky State University and since his graduation has been filling a very responsible position with the state engineer's department. His many local friends congratulate him upon his success in his chosen profession.

DUMP BURNING IS TO BE PUNISHED

Now that the City Council has turned the supervision of all dump burning over to the City Fire Department, it is expected that a new city ordinance will be presented at the September meeting of council fixing a penalty on any one besides the firemen setting fire to any dump. The firemen will burn the dump when weather conditions are favorable and will put it out with water when they finish to prevent smoldering. Children and rag pickers are said to be responsible for the burning of the dump in the past.

DOCTORS ARE TOO SCARCE
Lexington, Ky.—Dr. C. A. Nevitt, upon his return from Washington Monday, stated that he was denied permission to recruit a shell-shock unit because of a shortage of doctors and nurses in Kentucky at the present time.

GREAT CROWD AT BEACH
Because of the very warm weather there has been a great rush at the North Shore Beach for the past couple of days. The artificial rise which is expected here in the next couple of days will likely cover the beach so that swimming will not be possible.

Regular meeting of Maysville Lodge No. 704 B. P. O. Elks Wednesday evening, August 7th.
W. W. WEIS, E. R. W. R. Smith, Secretary.

RED CROSS CASH NEEDED BADLY SAY OFFICIALS

These Contributing to the Red Cross Fund Are Asked to Pay Up Promptly By Officials.

The officials of the Mason County Chapter of the American Red Cross yesterday issued the following appeal to Red Cross contributors:

Regardless of our most earnest efforts to collect same, there remains unpaid \$1057.25 of the subscriptions to the late Red Cross War Fund made to the Mason County Chapter. Because of the great liberality of the people with their subscriptions, we have endeavored to be patient in the collection of same and have avoided pressing anyone; but they need the money at headquarters and are urging us to secure all unpaid subscriptions within the next two weeks. If you have not paid all of your subscription, won't you please do so at once, so that we may be able to close up the matter within the next two weeks. We know that all are able to pay their subscriptions if they just would. Kindly do so. The money is badly needed for the boys "over there" that are daily giving their lives for us.

Following shows amounts subscribed by precincts (exclusive of the two Mayslick precincts which are under jurisdiction of Mayslick Chapter) to wit:

Maysville	Amount Sub.	Amt. Unpd
First Ward	\$1,763.45	\$ 1.00
Second Ward	1,731.00	164.50
Third Ward	1,923.79	85.00
Fourth Ward	939.15	92.00
Fifth Ward	1,743.85	25.50
Sixth Ward	1,705.00	30.00
Sardis	1,231.50	
Helena	1,405.30	16.00
Dover	990.90	153.25
Germantown	923.00	
Dieterich	1,043.90	318.00
Plumville	297.50	15.00
Platstown	1,147.00	72.00
Hill Top	856.75	31.00
Washington	2,257.50	
Minerva	1,257.25	
Forn Leaf	954.85	31.00
Lewisburg	1,192.34	
Orangeburg	621.00	
Murphysville	848.00	23.00

Total \$24,832.13 \$1057.25

As you will observe, six precincts have paid in full, and several lack but a few dollars of being on the "honor roll." All should be there. Please don't fail to let us have your unpaid subscription at once. With full assurance of appreciation.

MASON COUNTY RED CROSS CHAPTER
J. N. KEHOE, Chairman,
W. W. BALL, JR., Secretary

WORKERS ARE ENTITLED TO MORE MONEY

The application to Council Monday night of Chairman Watkins of the Internal Improvement Committee, to give the cart drivers and laborers under the employment of the city more money than they are now receiving is only in keeping with the increase in wages of all workers. Prices of all the necessities of life have advanced and it is proper that the wages advance accordingly.

NEW PLANT WORKING VERY SMOOTHLY

The new electric plant of the Maysville Power Company which began operation on Sunday is working very smoothly and up to the present time no serious trouble has been encountered. The lights are of as much power as those produced by the old plant and although the machinery is yet new and stiff it is running better than had been expected.

GREAT AMOUNT OF GOOD WORK DONE BY MISSION

Report of Superintendent of the City Mission Shows Much Accomplished By That Organization.

The report of Miss Mary Frank Hughes, Superintendent of the Maysville City Mission from December to August follows:

Services each Tuesday evening with an average attendance of twenty. Sunday School Sunday afternoon with an average attendance of thirty-four. Special services were held in the Sunday School at Christmas and Easter. On May 5th a patriotic meeting was held to dedicate the Service Flag for the Mission boys in the army.

Social Welfare Work
An active girls club with nine members was organized and met at the Mission each week. Boys club meetings were held each week with an average attendance of fifteen in connection with the Boy Scout movement and helped clean the city dumps and saved fire wood from the river shore.

Industrial School was held each Saturday afternoon until May with five teachers and twenty-five children in attendance.

In February the Board of Directors assisted by other women of the city spent two days at the Mission sewing for needy children.

In May fifteen children were taken for an excursion on the Steamer Homer Smith and furnished refreshments by the Mission.

Assistance was given in securing employment for nineteen men, seven boys and four women. Institutional homes were secured for two dependent and neglected children.

Fourteen cases were referred to the Juvenile Judge, twenty-seven to the Public Health Department, nine to Chief of Police and ten to Home Service Division of Red Cross.

Material Relief

On Christmas fifty baskets of food and thirty packages of clothing were given away.

635 calls were made at the Mission for help; of which sixty-four were caused by old age, 235 by insufficient income and 336 by sickness.

In answering these calls the Superintendent wrote twenty-five letters and made 425 visits.

Groceries were given 310 times. Thirty-seven pairs of shoes and 396 garments were given.

Twenty-three pieces of bed clothing were given and comfortable beds were furnished 4 sick people.

Meals and lodging were furnished five times and transportation was secured for seven persons.

Respectfully submitted,
MARY FRANK HUGHES,
Superintendent.

COLORED MAN CRUSHED BETWEEN BUCKETS

James Hall, of Plumville, Employee at Dam 33 Is Rather Seriously Injured When Caught Between Two Large Steam Shovel Buckets.

James Hall, colored, a resident of the Plumville neighborhood, was rather seriously injured at Dam 33 just East of the city about noon yesterday.

Hall was employed in loading the large swinging buckets of a steam shovel with heavy stone and while engaged in loading one bucket, a full bucket swung back and caught him between the two. It is said that he was rather seriously injured. Three ribs are known to be broken and physicians last night feared that he might have suffered some internal injuries.

The very warm weather of the past several days has been very severe on the workmen at the dam and several have been compelled to stop their work and seek the shade during the week when they came near suffering prostration from the heat.

LOCAL RAILROADER INJURED AT GREENUP

Information reached here yesterday that Mr. Roe Stevens, signal maintainer on the C. & O. and resident of Maysville, had been slightly injured on the road near Greenup. He has been removed to the C. & O.'s hospital at Huntington but so far as has been learned his injuries are not of a serious nature.

Eugene Dye, who formerly operated a motor truck between this city and Flemingsburg is now located in England riding a Red Cross Ambulance truck. He is attached to Dr. Barrow's unit which is made up entirely of Kentuckians.

The yarn for which the local Red Cross workers have been waiting has now arrived and is ready for distribution.

Why not try a Ledger Want Ad?

EFFORT MADE TO IMPROVE FOURTH STREET

Council Committee Proposes Collecting Balance Due on Street Construction and Using the Money to Improve the Street.

A meeting of the Proposition and Grievance Committee of the City Council was held at the Council Chamber yesterday afternoon to go into the matter of making some arrangements to repair and improve Fourth street which is in very bad condition and which has been in the hands of the committee for several months.

This street was built of Tarvia at the expense of the adjoining property owners and although the city was given two years in which to receive or reject the street and held back a portion of the price of construction for that period, they allowed this day of grace to pass and now have no recourse on the contractors.

It developed at yesterday's meeting however, that there are several property owners along this street who have not yet paid for the construction of the street and Miss Mary Helman, secretary to the Mayor and Treasurer, was instructed by the committee to go over the apportionment and make a list of those who have not yet paid for the improvement.

When this list is secured within the next few days an effort will be made by the city officials to collect the money due on the street and the money so collected will be used by the city officials to improve the street immediately. It was pointed out that this was the only way the improvement could be made at this time as there was no money in the general fund or in the Internal Improvement fund available for this work.

Miss Helman will begin work on the apportionment at once and an effort will be made to collect the money due before the next regular Council meeting.

PECULIAR DAMAGE SUIT FILED AGAINST BOAT LINE

Steer Is Lost and Is Replaced By Cow and Shippers Ask Damage From Greene Line of Steamers.

In the Mason Circuit Court yesterday John H. Clarke and James M. Finch, doing business as Clark and Finch filed suit against Gordon C. Greene doing business as the Greene Line of Steamers asking judgment against the steamboat line for \$56.78 alleged to be due them in a very peculiar sort of way.

The plaintiffs state that on August 15, 1917, they delivered to the defendant at Maysville eight steers consigned to A. B. Wages, Cincinnati, Ohio, and that the defendant negligently handled the cattle and mixed them with other animals so that one steer in the shipment was lost and a cow delivered to the consignee in its place.

They state that the cow sold for \$50.00 and the steers for an average of \$108.80 each and that the steer lost was equal in quality and value to those sold, it being worth \$108.80. They claim to be damaged therefore to the extent of \$56.78 and pray for judgment for that amount and for all reasonable relief.

BIG RIPLEY FAIR IS OPENED

This is fair month in this section and the season was opened yesterday when the Ripley Fair threw open its gates and one of the best programs in recent years was offered to the public. The Ripley Fair is always attended by a large number of people in this county and it is expected that quite a number of Maysville people will take in the meeting before it is closed.

YESTERDAY'S RESULTS

National League
Pittsburg, 10; Philadelphia, 2.
Cincinnati, 3; New York, 4.
St. Louis, 3; Boston, 10.
American League
Washington, 0; Cleveland, 1.
Philadelphia, 6; St. Louis, 4.
Boston, 7; Detroit, 5; 10 innings.
New York, 4; Chicago, 5; 15 innings.

The Red Cross rooms will be open tomorrow when the refugee garments will be distributed. All branches are asked to call and get them.

STONE HAULING DAYS ARE SET FOR NEXT WEEK

Commissioners Ask All Farmers to Assist in Improving Pikes By Hauling Stone Gratis Next Week.

The County Commissioners have designated August 12, 13 and 14—next Monday, Tuesday and Wednesday as rock hauling days and have called upon all of the residents of the county to assist the county in improving the pikes and roads by hauling rock on those days.

The County Commissioners have done wonderful work on the roads and pikes of Mason county since they have been in office but they have been up against the problem of getting enough stone hauled ever since they undertook the improvements of the highways.

It has become necessary to ask the people who use the pikes to lend their assistance to make those pikes in good condition for the coming winter.

It appears now that there will be a great tobacco crop in Mason and adjoining counties this season and the commissioners are anxious to get all of the main pikes in good condition before it is necessary to use them for heavy loads of tobacco and they have therefore designated these special days during which time they ask every farmer who uses the pikes to haul at least one load of stone during these three days which have been selected in what will be a slack time for the farmers.

It is to be hoped that the drive will be successful and that our pikes will benefit greatly through the united efforts of the farmers of all parts of the county.

DAILY FREIGHT SERVICE TO CINCINNATI

Maysville Now Has a Daily Freight Service to Cincinnati Over the C. & O. Railroad.

Mr. W. W. Wilkoff, the live and progressive agent of the C. & O. in this city, deserves a word of commendation for being ever on the alert in an endeavor to obtain the best rates and service possible for his fellow citizens and business men.

Learning of the congested freight conditions between this city and Cincinnati and the desire for better rates and service on freight he took up the matter with the C. & O. Railroad and has obtained a daily freight service from Cincinnati to Maysville.

The C. & O. designates this special service the Cincinnati-Maysville express and freight is ready for delivery at 8:30 each morning at the local freight depot.

OFFICIAL VOTES COUNTED TODAY

A meeting of the Election Commissioners will be held at the office of County Clerk James Owens today at which time the official vote of Mason county in Saturday's primary will be counted. All of the precincts are now in except Plumville where it is reported there was no election held because of the inability to secure election officers to man the polls.

MANY EXPECTED TO SEE GREAT PICTURE

The big feature picture "Cleopatra" opens a two days engagement at the Washington Theater today and it is expected that the fame of this picture will bring many people from nearby towns to see it. Theda Bara is said to be at her very best in this wonderful production and the people of this section are indeed fortunate in having the opportunity to see her.

PRODUCTION OF "THE SCOOP" IS POSTPONED

The production of Parker Hord's latest play, "The Scoop" which was to have been given at the Washington Theater next week has been postponed until the following week because a musical comedy will be at the Washington all week and the "Scoop" company will not be able to hold their regular rehearsals.

"THE MOTHER AND THE LAW"

A drama of protecting love. A strong dramatic photoplay featuring Helen Marten, Florence Hackett, and Henry J. Sedley. Pastime tomorrow (Thursday, August 8th.)

OUR COLORED CITIZENS

Mr. J. H. Bradford, our colored business man of 42 East Front street, Maysville, left this morning for French Lick Springs, Ind., where he will spend ten days.

Mr. John Bird and little sons, John T. Jr., of Detroit, Mich., left Monday afternoon for their home after a pleasant visit with the former's mother, Mrs. Katherine Bird, of the county. Miss Ella F. Taylor, Mr. Bird's niece accompanied them home and will make them an extensive visit.
